WE TRAFFIX KEEPS YOU, YOUR SITE AND YOUR EVENT MOVING !

1800 960 331 - www.wetraffix.com.au - info@wetraffix.com.au

ABOUT US

We cater to diverse needs in Traffic control. Weather it is for local or State Governments, big or small businesses, we prioritise the safety of workers, road users and pedestrians alike to ensure YOUR site runs smoothly, efficiently and most importantly, Safely.

WeTraffix is your premier destination for reliable, safe and affordable Traffic Management or Events Solutions across Melbourne and Victoria.

WeTraffix was conceived in 2022 following demand for professional traffic management from local government, primary commercial contractors, Utility service providers, civil, road and transport industry, commercial and residential builders, Sports Stadiums, concerts and major events alike.

We Offer:

- A 'CAN DO' attitude to resolve any challenges you face.
- To understand your site-specific requirements.
- To provide a Stress-free and Optimum outcome for you, our client.
- To ensure our New and near New equipment is always well maintained, project ready and legislatively compliant.
- Safety, Compliance, Staff development and Education are at the fore front of all we do. Our team of expert traffic controllers are multi ticketed with First Aid, RIW and spotter's credentials in addition to Traffic Control and Management qualifications.
- Fully ISO Certified and VicRoads Prequalified systems and staff. We operate under a Fully Integrated and automated Health, Safety, quality and environment Management system ensuring accurate and live Management and Documentation of All Staff, equipment, Fleet Maintenance and Compliance.
- ISO 45001:2018 – OH&S Management Systems
- ISO 9001:2015 – Quality Management Systems
- ISO 14001:2015 – Environmental Management

TRANSFORMING MELBOURNE'S ROADS INTO SAFER WORKSPACES WITH TOP-TIER TRAFFIC MANAGEMENT EXCELLENCE.

SOCIAL PROCUREMENT

WeTraffix

WeTraffix considers many factors that affect us, our community and the world in which we all live. These factors affect our decisions, and we plan to achieve harmonious states in all the following:

- Sustainability
- Human Rights
- Diversity within our workplace
- Community minded

More Details

For more details visit our website www.wetraffix.com.au

How we do it:

We work with local and interstate **communities** to find workers to suit your needs. We also work with people in other areas of **social procurement**, such as homeless, refugees, asylum seekers, long term unemployed, mature aged, people with disabilities and disadvantaged people from all backgrounds.

Social Procurement

Empowering Your Business Through Social Procurement and Compliance

- Working with Us helps you reach your social participation in Construction and other Social Procurement targets.
- We help your business to meet regulatory compliance with federal government's policies, and
- provide training and staffing solutions deploying skilled and dependable workers to a diverse range of clients to support their workplace with pride and respect.

PROVIDING AUSTRALIAN COMMUNITIES WITH MORE OPPORTUNITIES TO PARTICIPATE IN THE ECONOMY.

SAFE & EFFICIENT

Our Belief is that Nothing is impossible with the right Attitude and Effort.

At WeTraffix, we hold numerous industry memberships and are independently ISO certified.

Our industry leading automated IMS (Integrated Management System) reflects our commitment to technology, Health, Safety, quality, and environment.

We meet the following Standards:

- ISO 45001:2018 – OH&S Management Systems
- ISO 9001:2015 – Quality Management Systems
- ISO 14001:2015 – Environmental Management
- Members of the Master Builders Association
- Civil Contractors Federation Victoria.

Ensuring accurate live management and documentation of all equipment and Operators including our stringent Fleet maintenance and compliance.

WETRAFFIX THE TRAFFIC & EVENT MANAGEMENT PROFESSIONALS

PROJECTS

SILVER STREAM

EXCELLENCE IN ACTION: WETRAFFIX AND SILVER STREAM CONCRETE DELIVERY SUCCESS

22 Mark St Fitzroy North

At WeTraffix, we partnered with Silver Stream Construction to deliver a comprehensive traffic management solution, including traffic control, contraflow systems, pedestrian management, and concrete lorry coordination. Prioritising safety and efficiency, we ensured minimal disruption and reinforced our reputation as Melbourne's trusted traffic management partner.

WETRAFFIX ENSURES SEAMLESS OPERATIONS FOR NASH CONSTRUCTION PROJECT

15-21 Warwick St North Melbourne

WeTraffix recently collaborated with Nash Construction on a complex project involving concrete lorry deliveries and pedestrian management. Our expert team developed and executed a traffic management plan with contra flow systems, diversions, and road closures, ensuring pedestrian safety throughout. By coordinating deliveries and maintaining clear communication, we ensured seamless operations and upheld high standards of safety and reliability, showcasing our commitment to excellence in traffic management.

NASH CONSTRUCTION

WE AIM TO EXCEED OUR CUSTOMERS NEEDS

PROJECTS

CLAYTON TRAIN STATION

WETRAFFIX AND DUCON BUILDING SOLUTIONS:

A PARTNERSHIP IN EMERGENCY ROAD MANAGEMENT

Clayton Train Station

Ducon Building Solutions faced an emergency requiring immediate road closure and traffic management. They called WeTraffix, who swiftly implemented a traffic control plan, coordinated with CFA and Victoria Police, and ensured safety and smooth operations. WeTraffix's commitment to safety and excellence provided a seamless solution, instilling confidence in the client.

REFURBISH WORKS AT PARLIAMENT HOUSE REQUIRED A PROFESSIONAL TRAFFIC MANAGEMENT TEAM.

Spring Street Fitzroy

At WeTraffix, we collaborated with Rossiter Construction on the refurbishment of Parliament House, implementing a comprehensive traffic management plan, including the closure of footpaths. We prioritised pedestrian safety with robust management strategies and clear communication, ensuring seamless operations and high safety standards. This project highlights our commitment to excellence in traffic management and serving Melbourne's diverse needs.

PARLIAMENT HOUSE

WE HAVE A DIVERSE CUSTOMER BASE

Why WeTraffix?

Because we:

- ensure our clients projects Keep Moving
- aim to exceed our customers' needs
- raise the bar in Traffic and Event Management
- have the right people, with the right experience
- don't just solve problems, we prevent them
